

Augusta Ind. Safety Reopening Highlights

SOCIAL DISTANCING

- Social distancing of six feet will occur within classrooms, when possible
- Social distancing floor markings will be placed in common areas
- Limit all non-essential visitors
- No sharing of supplies
- Staggered arrivals, dismissals, restroom breaks, and recess

MASK EXPECTATIONS

- All students will be required to wear a mask at all times, including on the bus, except for when eating.
- A washable mask will be purchased for each student and staff member
- Masks must cover the mouth and nose.

MASK UP!

HEALTH SCREENINGS

- All students and staff will have a temperature check before entering the building or boarding a bus
- A temperature of 100.4 or above will result in being sent home
- A student or staff sent home with COVID-19 symptoms may return to school once they are fever-free (without fever-reducing medication) for 72 hours

SANITATION & ENVIRONMENT STANDARDS

- Classrooms, cafeteria, etc. will be cleaned between classes or groups of students
- Classrooms sanitized daily after dismissal
- High traffic and high touch areas sanitized daily
- Deep cleaning of the building every Friday
- School will provide masks, thermometers, gloves, hand sanitizer, disinfectant wipes and spray, as needed
